A reflective essay of your experiences and impressions is required to receive community service credit. It will provide you and the school with a record of your activities. The essay should include, but not be limited to, response to the following questions:

- ❖ What was the most interesting or important thing you learned on the job or about the people with whom you worked?
- ❖ What did you like best about this activity?
- ❖ What did you like least about this activity?

Attach the essay to this form and submit it to the counseling office. (Remember, you need 10 hours to graduate!)
