Walking To and From School Bus Stops

It is the responsibility of parents/guardians to insure their students arrive safely at the assigned bus stop and are ready to load the bus 5 minutes prior to the scheduled pick-up time of the route.

It is recommended that parents/guardians make arrangements to receive students when they are returned to their bus stop at the end of the day.

Parents/guardians and students are encouraged to develop a plan to ensure their student/s arrives safely home at the end of the day.

The safe loading and unloading of students is our main concern. Therefore, students should be cautious with the walking route chosen to get to the school bus stop. Pupils should stay on sidewalks and walking paths while approaching and leaving school bus stops. Students shall wear safe clothing that is visible in hours of darkness.

Go directly to and from the bus stop. Never run to the bus, always walk.
Plan the safest route with the fewest streets to cross.
If possible cross streets at corners, using crosswalks if available. Look in all directions before crossing, and when safe, walk across the street. Always obey traffic signals.
Do not run out in the street from between parked cars or shrubbery.
Walk to and from school bus stops, out of the roadway facing traffic.
Never accept a ride from a stranger.
Leave home early enough so you do not have to run to catch your bus.

School Bus Loading Zone /Boarding Procedures/Bus Stop Rules

Parent reinforcement of these regulations will help considerably in maintaining a high level of safety and a low level of disciplinary problems. Parents/Guardians may be responsible for any damage to vehicles or property caused directly by their students.

Arrive at the bus stop 5 minutes before the scheduled pick up time.
When waiting for the bus, wait in a safe area.
Never play in the street. Never run to the bus, always walk.
Do not bring pets or animals to the bus stop.
Stand in lines or a group facing traffic so you can see the bus approaching. Stand back at least 12 feet from where the bus will stop.
Vehicles waiting to drop off or pick up students must be parked on the same side of the street as the bus stop. Vehicles must not park where the bus will park.
When the bus arrives, do not approach the bus until the driver signals that it is safe to do so.
